WHEN DOES IT END?

Dan Boredwithslownews
The Daily Gossip

Nobody quite understands where the hole came from, but they do know you can still hear the little boys scream, as he plummets farther and farther down into the hole.

Police Chief Tightly claims, "The hole is no doubt, really deep." Some wise words of wisdom there. Thanks buddy.

The school where the hole was first discovered, by the boy falling in it still, have

decided to put a piece of plywood over it. "Yeah, I thought of that idea, its a goodin' huh?" Asks Principal Duh.

"Sometimes I like to sit in my office and stare at my desk. I don't really care about the children, but when it comes to holes, I have a deep fascination for them." Stated Mr. Duh, Principal.

He took way too much space up here, we don't care what he has to say, blah blah blah.

Chickens Unite to Protest Halloween Egg Throwing

CHICKENS NOT BEING CHICKEN ABOUT EGGS

Fox McHungry
The Daily Gossip

"I'm so tired of people throwing eggs on Halloween, don't they understand the pain we go through for every single egg?" Said Chicken Representative, Chicky McChicken. "Chickens get a bad wrap for being fearful, we are fighting back."

Chicky McChicken is a professional chicken representative. He spoke to city hall last week in an effort to rid society of "evil egg throwers."

Chicky McChicken went through 5 years of law to become a lobbyist for the Chickens of America. "I'm not just representing chickens from America, I'm also representing those chickens in Ireland as well. The rest don't like me, so I don't help them out."

Chickens and teens may never see eye to eye on this touchy subject and its sad. I'm going to repeat myself now, I'm done typing.

OLD MAN CELEBRATES

Old Man Withers
The Daily Gossip

Some old folks enjoy living in homes, letting little girls wipe their butts for them, not me. I like to write in the newspaper about exciting old-person stuff. Today nothing happened. Nothing. It was exciting, I love doing nothing.

I decided to dress as a cowboy today. I used to be one, back in the day. It was fun. Living all alone on the open range, not knowing if you would eat the next day, worrying about those little dogies. "This old cowboy hat tells a fascinating story." quotes old man withers.
